Caution should be used when using these financial data. Sound conclusions can only be drawn when the data elements are used in proper context. The ESP expenditure costs reported to the charts above are based on objects codes in the ESP file as submitted to the Financial Information Database (FID). Districts are required by law (MCL 380.1281) to follow a common chart of accounts published as the Michigan Public School Accounting Manual when reporting financial data. Definitions for each of the object codes listed in the charts above may be found in the Manual available at: http://www.michigan.gov/documents/appendix_33974_7.pdf.
